Session 3:

Recap: Got to Wollendorf town and Myrtle helped a Jeweller make a Ring of night mares. But owes 310 + Gold. Viridius and Arendon went to Rich Port to find museum but was line to be Paid to catch Rats. I Bumped into town on way to Jewellers. They joined us and we're now a Group called M's Fists to Hunt Rats. Town leaders to a likely area. Myrtle Thinks dug tunnel in Sewers is from a cursed monstrosity we were Swarmed and Town is incredibly Hurt and I am also Hurt.

were able to head safely and met a non lethal Rat catcher and Town was able to find where they move the Rats to.

Lidia The Rat catcher Brought us to a Hidden Room and we were Threatened.

Lidia gave away Arda's name The person speaking as like the leader of The Hidden group Threatening us.

even bigger guy also Said Arda's name.

Tone by tone is the bigger guy

Tone lead us into a place called undertown with Barrels as chairs and Tables

They lost a friend named Hayden in the tunnels and would appreciate us if we could find them

Clement The Sales man comes and tries to sell us stuff.

Dreamers are a people from the world and are an ancient species, with no Relics or artifacts. found in vaults west in Pads of Perpetual Dreams They lost everything while dreaming and have certain abilities and look different wanderers looking for a home.

if we find Hayden, a were bear for tone then we can get gold.
