Recap:

found Under town and talked to
Tone by tone on a grish.

and found enemies that shoot
Rats

Battle Start.

Arandon is Really messed up.

headed back to Under town
and myrtle used Prestidigitation
to clean us after entry.

Tone was called out to help as
a doctor.

Arandon is cursed according to
myrtle and Tone.

Tone helps the injured and sick
of the poor quarters.

Monk's Doctor's followers are
dissecting the sick while alive.

Priestess Glava helped Hazel
Arandon's disease.

Venminous Abomination is the
name of the thing that does the
tunnel, normally devour of
ground or Gluttony and taking
more and more.

The Bearack empire is at
war with Ostoya.

Ostoya's typically kill all and
raise an undead army.

War war apparently knows secrets

element did sell black steel
to a lady that smells of
cardamom.

Wisa Coastman's office had
the smell in the area.

Also had the smell in the
sewers.

Hayden, where bear we are
looking for smelled of
cardamom last time tone
saw him

Viridis pointed us in direction
of Rat abomination and
we were able to break up
on it.

met with cardamom lady
and tried to exchange cure
for Dreamer ask.

lady tricked it but so did
it.

Battle Start. Viridis heated
metal nor gas mask
I Hexed the lady

fought Rat abomination and
won.

Myrtle almost died

Viridis grabbed amulet
and started screaming.

earned the level up but
need to long Rest to
apply it.
