Recap:

---

Zedrick is finding the missing professor to go to band college. Allaren

Tone paid us all 550 gold 110 each

Tone explains religion, god Arch, seraphs, angels, arch Seraphs Ann casts,

The cleric Tone brought us to night by able to fix Prawn wounds.

Zedrick is from Huxley academy of magic and magic

Myrtle is from the school of the four winds

The Abjuriers who will Rise and capture people, or kill.

Castermarch Prov. houses Hunt People that have magic, They're another empire like the Breuker. Hunt the arch Seraph Imperials.

8237 was the prisoner number for viridus, They know who Viridus is even under the mask.

Archmagist characterisation wants to indoctrinate or kill magic

Vyga pulled political awareness to protect viridus

Allaren was the professor of Dreamer Tech that donated dreamer Tech to Wallender (Vyga's Town)

Fake Zedna wanted the tech changed to power herself

The professor was the verminous Abomination

4 tone masters, political Bridge in the Prov. houses.

Provided the Vycount the papers from Fake Zedna's workshop.

Met up with Nakhared.

Need to ask for help with fake Zedna using her desire to take dreamer Tech for herself to get Nakhared et al to help,
