Re Cyo:

---

Bought a few items from Clement and Passes for a ride back to Wallendorf for Vixen money.

Governor at depot and some one attempted to kill the Governor and died.

Governor: Iorus

Seems like the Governor was waiting for a slave.

While waiting for our cart a Seraph walks into Urlick Run

We make it to Wallendorf safely

We Barge into Viga's office.

I find the guy that took Myrtle. I cast him immediately.

He says He'll take us to see Myrtle.

We take port and reappear in a very fancy nature filled study.

He is called Null.

Null wanted to speak with Myrtle. Zedrick's rat abomination professor was a friend.

Not Part of the same School that Myrtle is from.

Ulrid's notices when shown were in Chornolt.

Null wants us to be friends with nehaired but we might be able to kill him.

us is on par with dragons

Null is a dis embodied, Unear's gate was free from oversight on magic. Sent the entire city to the ethereal plane and had some come back with half a body in each plane.

Null thinks the light killed the dreamers and is curing for us again.

Dream land is Paving to be added to a perfect dream for all eternity. Ends up killing people, becoming a living nightmare and kills towns.

Master of the war breed Baron van Kinkrebordon from many ancies.

failed Two rolls to incorporate Zedrick Cart

Buy more from Clement

Head to Alex then to Tavern from where last met the dreamers.

Ne haired does want to recreate the light incident.

were to be elevated and being made pure by the light.

The light is on a return course and nehaired is preparing for it.

We keep the lux channel don't rely on it as it may return us back to point previously.

meet up with Null and get sent to arrow felt for Zedrick college.

Null says follow nehaired instructions till he finds us.

We eventually meet up with Lorath at the quest board in Wallendorf.

Lorath says Bar keeps send letters.

Tony Brings us to Hayden

Lorath says Lycan theory is spread through bites.

Hayden and Barricana were Broken similarly.

Hierarchical class systems class, working class and Royal class. Caps mark for the Royals, in Quisitors Bad.

The adamant seek assistance I crossed through there. maybe

We decide to go to Adamant
