

11.05. Sat

Recap:

Rerolls: 7

+1 Brenton Boush Jones

Nothing abnormal happened
over night

Lorath Rituals find familiar

Mall shows up and takes
myrtre, Gives us a key
But myrtre gives me the
Lux channel.

I recognize the one in Red.
It carried me and moved me
from a dark to slightly
less dark area.

Guy saying once estere
Takes maintain we'll get
a kick Back like colonnade
and or magic weapons

Umpire says They want to
take over adamant.

Ostoya is darkness and
in the vision The shadows
Sound them from harm.

Tells us to live for the
adamant

Viridus tries to deceive
foils, Throws mask in
magma, Then starts
combat

The vampires fatally murdered
us and we somehow
come back and won.

Viridis used the key
and we headed and
spent the night for
evered up.

We recovered left and
returned to where
we left.

Pulled crystal out of
magma Hole. Set it
off to the side.

went to out skirts to
check for the stone
The stone was made
here But perhaps in
error:

It crushed a peepst and
was dragged out.

Viridus finds a console
which has a Vial with
a floating stone in it.

I found a Puddle of different
liquids and there's a
stone in the middle.
Makes Brain Tingle on
Touch.

Lux channel is Beping.
I fish it out and
viridus gets the Blikings
to stop. It shows the
Past in a klon.

Shows a crushed PdaStar.

The Dreamers in pods were
against their will.

Drzoners Printed the metal
thing with light.

maned the stone and then
a construct cleaned.

we follow the stone out.
They producing it into
ingots

Viridus figures out lax
viewer controls.

They make a Sabor ripe
Tome Hus.

See the city above ground
and there's a Sky ship.

Tome and Self cut into
the stone, Eventually
we cause it to hiss
and bleed, it starts
to grow a fungus.

The Braad grows a fungus

Lorath Put in me a
"what would Myrtre do"
Bracelet.
