Mcull takes The Clinic from
us.

In vestigae drain land
keep looking for maximovich.

Max Hands a sleeping dagger
to Tome. it was against
Restoration Pattern.

we Head out of The Clinic
and can stabre argyre
is there. Have a talk
argyre is an baby.

Likely official summons

Argyle shows us a crowd that
very wants to kill us.

argyre "monacles" us and
leads us out. tries to
keep me from being hit.

Tome Senses abhorrent, undead
and friend.

An Emaciated Giant approaches
and is a friend.

Speaker Corran Shield is the
friend.

father Gregory is the grow
mouth instigator.

father Gregory Threatens The
friend

People Recognize The Speaker
and The Crowd Starts to
dissipate at his asking.

I Borrow viridous's Grate
and Thank Speaker
Corran and The Guards.

Tells us about under city
and mentioned maximovich
is likely down there.

we attempt to find The
Guard. it gets poorly.
unable to find Guard on
Shape.

Lonatn is able to find The
legs of The Guard hanging
from Roof. Spikes are
skewered through only
lower part left.

Viridous Thinks Public out
house is weird. opens
closed one and it's a
badder Down.

it's literally just city streets.
very dark though.

Lonatn Thinks Photo from
Astoxa

Photo of maximovich and dude
Shows Photo of Astoxan
warriors and no longer exists

Lonatn Recognizes it, was
masonry sand and died out
Before current Regimes.

Lonatn revealed. actually
vampire doesn't feed on
us.

Jerry reveals There are
3 war breed. There's one
like no foot away.

7+ foot tall lady is one
Tome Bumped into.
one up top.
one near water ways
one under city.

we've kind of met all of
them.

one of the Photos has
"if you find me, meet
at old Spot under city.
