

11, 01. Sat

Rerolls: 15  
+ 2 Andrew dinner

Recap:

I stick my head out  
and ask of them.

See warbred Lady crouching  
she stands and approaches

she is the August it seems

They are after the  
odd machine we stole

we decide to try and figure  
out who we stole from.

we also long rest and  
during which we had a  
dream

Myrtles dream is of a  
dream that he has a  
research group to find a  
thing, info is free and open

war war dreams of a life  
with the group being  
extremely successful, Myrtles  
is a good, ygg is king, arxla  
is leader of the military.

Johnathon, surrounded by specific  
people slain by him. Exhausted  
but triumphant

Tomes dream, flying above  
the murky clouds and  
seeing the sun, not being  
fearful.

dream ends and sees the  
light and turns away.  
That illuminates monsters.

monsters says and they  
migrate riped in hurt  
and fields of monsters  
like "US" that kill all

Myrtles says and they start  
being secretory and Myrtles  
being alone.

Johnathon's says, He's shocked  
and watching them lay waste.

we are then in a started  
state, Myrtles, Tome self,  
and other person (Johnathon)  
is there. as were when went  
to sleep.

Uzira, is unknown, has a staff  
and a short sword. went to  
sleep in the under city.

Tome had the zoomies.

Uzira is wearing like third  
or fourth hand clothes.

young Human Girl, short and horn  
not well cut hair.

I ask the care if it can  
set us out. Fake  
Zadna responds, she is not.  
she is disappointed in the  
decision to integrate her.

we ask about the place  
from a gnome that enters.

I ask for understandings.

It somehow works.

They're not using Lux channels.

I share what the light and  
Lux channels are.

Ozira is dressed through the  
into damp.

I ask to prevent the Rapture  
(I go through it in Realtime  
in my mind and Sarcado)

I manage to think it's not  
real (about a year in). and  
Return.

Ozira is not there again.

I gained advantage on Persasion.  
for the day.

I have two people on my  
shoulders, short metal in a  
face, with a conical cap and  
priestly like robes that  
says They're my concious.

and an old cackler that is very  
dissapointed.

Simabus Ghilgo is an assassin

Desparv, is the dark cocker

Slingo is ashan att.

Ozira gets on an infiltration  
mission.

Seems to go well,

Myrtles suggests waiting for  
viridous and Lareth to wake  
by waiting while investigating  
the items taken from the  
cave.

find disgusting trading co Brand  
Journal and stuff in a  
Secret Printing.

war Breed project notes.  
Talks about how to make  
them or control them.

Refuticus Brown van  
Gribsen bottom in morcuria.

Myrtles sends a sending  
to hall, about warbreed
