Recap:

Spent a while going through
packed up stuff.

wait for viridous and Loram
to mind Snape,

Tomé gets Summoned By The
Hargreend fires off By
Himself.

we head to Vyga.

Vyga is kind of Drunk

clement is sane

Tomé meet up with us.

Tomé asks viridous if Tomé
is Different after the
Blood donation to the Hys.

we all look out for
what's going on.

I see some one in the
clouds. They bear the
signs of the four
keepers and the colleges.

an old Bearded Vyga
Saved some of us.

Lorath takes my damage
and falls unconscious

The old Bearded Vyga is
called Darren

we head to a sewer
entrance

we Rush to a sewer gate
and head inside.

Darren Recognizes me ish.

hall then saves us and
Brings us to the Clinic

Says to Barn it and
leads us on a maze

hall sends Max, Dr Barker,
Darum and Leonidas

viridous cuts pass without
a trace and we
enter into a town
that has still stores
around the east side of
the town.

we hear 12 explosions

we see 12 individuals
flying around the city
as if they're searching
the 12 east wall at
fire and ignite the wall
of the city

They're attacking the city
and we take an
arcane Rift across a
300 ft wide River.

a fire bay is blocked
By an impenetrable wall.
The River is violent
& luminescent stage stands
By us and the enforcers
Relent.

The Stage speaks to us
Pete Patnically.

Lorath and myrta recognize
it's a Druid grung near
the Province that myths
School is, closest to great.

never seen the Stage the
legendary the bags, it's all
new to me.

The Dryads look similar but
still different.

I ask everything, what are
the bags, the masks, the
Centaur. Lorath explains
with a few

There are stones that we
head toward. (They're large
dark scarers)

a Dragon of earth and
tree

The dreamer automaton's were
the items I felt the
most kin ship.

hall is calling in a favor
and asks the dragon
for his both.

Vyga and Doreen are Stan
lacked, most the group is
too. I'm not.

The dragon is not impressed
with hall or Vyga.

Tomé Remembers The Brackets
systematically attempted to
wipe out the Dragons.

hall said that Vyga is not
like predecessors.

Lorath in druidic shares
that hall and Vyga saved
us.

hall says he'd be asking
of his both.

Lorath volunteers us as
emissaries of his
circle as volunteers.

the dragon allows us
Respite and Lorath bows
then we leave.

we are read into a
private inn madden with
in a tree space, fruits
vegetables and water
are brought

Lorath shares the snack
seeds are from Astora.

hall gives me a deep Porters
and intensive on formalities

we enjoy a long Rest

a club (group of people) is
explained to warwar, and
inner Sanctum.

Tomé is awoken By Tapers
on their shoulder The
ghost Dreamer girl wakes
Tomé, she's now older and
scarred. Points at a bright
light but the twin means
it's weird. She says grow
stronger and stop we heard
and don't give him what
he wants.

Tomé shares the above.

hall thinks it resembles
info he knows.

leads us down some Dwarven
ruins like a grand library.

hall shows the light thing in
the sky By the means.

hall explains that the light
in the sky was kind of
figured out By he heard.

I remember the fight with
us and that us was
looking at the light. all
the bodies were looking
at the light

hall explains that Vyga's Brother
Darren technically works
for hall.

marecra is Augustus trading
company and war breed
headquarters.

we find out that Zedna's
carz is no longer in the
Bag.

hall shows Bag of Holding's
in Bag of Holding.

attempt to turn out the
Bag

I Roll a nat 20 to
enter the Bag and
get fake Zedna's carz
out.

There's a spot light inside
and Zedna says I'm
in her domain.
