

06.09. Sat

Rolls: 13

- 3 Tome Persuasion for knowledge
- 1 OZino make arrangements

Recap:

Eve wants to use the light to control everything.

I was a dreamer automaton

Eve wanted to use dreamer automations to control the world

Eve would bring unity.

Apparently Smother and Despond are impulse and apathy

Lorath joins in

is confused.

Myrtre disperses the bags

were scattered out.

The misfits finally kill fake Zudna's core.

We're in a grave in Cyber Land. a ship over to Morencia

new Bases war war a children's Book.

I spend time with Myrtre and OZino. Copying a Book of legends and lore.

Lorath accidentally finds Lizbeth whilst finding out about the problems of the drone.

Lizbeth is not happy with hell being here. is angry we / war war here done to Lizbeth.

Tome lets us know of the automaton, Mall says it's a fallen angel and that the note tome got is Seraph Texts

Lorath goes to feed

Tome checks in on the fallen angel

OZino investigates the fax channel and finds out info on it.
