Recap:

we start heading to the
hydra and Myrtle
falls into a hole.

Swan grass looks like an
onion and wants to suck
life out of people

The Swan grass causes exhaustion
and damage

Ozina takes an onion to
deal with the hydra

Some lizards try to attack
Ozina and all have issues.
we kill them.

Larath speaks Druidic to
a thing and calms it.

Myrtle sees that the
burning from the wake
of the hydra was poison
and acid.

Professor Michael Salvus is
on the beach where
we think the hydra is.

Professor made hydra chimera
and found neared madman

There's a large dreamer vault
under the giant tree in the
grave and with more things
like the amalgamate (Hydra)

The light talks to him and
gave him his mission.

we are near the coast of
the emerald sea.

I rolled a 0!! to Hyster
the professor.

well renowned, Ozine knows
he found the advanced
vault, found 2 Luchannels
and 4 vaults, went
missing 12 years ago
without a trace.

Myrtle is kind of interested
in joining the fight.

if Providence is a threat
we can use as proof

Myrtle hands to grab
aftered sword from
Professor

Tom attacks Hydra and
Ozina attacks man.
