Recap:

we're Heading Back

Viridous Somehow falls
into the fox realm

Jerry is There

Jerry and Viridous are fox
buddies since Viridous causes
chaos

Viridous is There unknowingly
decides to walk home and
upsets Jerry.

Viridous Recognizes The smell
of fresh death and goes
from day she died.

Viridous begins running from the
weird shape. looks like a
mangled bear. It speaks to
Viridous.

Viridous made a deal. Still
need to find siblings to become
more powerful.

The house was Holding The
Thing There. it's growing
more powerful and will
eventually get to the material
plane.

The Thing births aberrations
and Viridous is The finest.

Viridous transforms into a
enlarged Polar Bear and
attacks.

every attack that lands and
opens a wound is closed
with other creature and chimera
parts.

The Thing almost kills Viridous
But she wakes from the
dream and is wrapped

we make our way Back
with myrtle's corpse.

Ozira asks for directions and
she leads us to the Healer

The Healer says we should Bring
myrtle to the dragon.

Viridous Burns The Head and
as it Burns it whispers
that it's already to late
in The Professor's voice.

we inform The dragon The
dragon is not going to Punish
us. informs us to feel the
vault info and The vault
is seeded by The Tree and
filled with us like entities
and worse.

They are resistant to his breath

The dragon remembers a Time
Before The light. The gods
forming kind of started The
light.

The cage is a Relic of The
Past anchored to The Place
and doomed to Rot and Rust

The dragon knows The light
is intended to Return.

offers to help return myrtle
But we need to recover it
from a Realm of magic and
knowledge.

The dragon sends us to The
Realm.

Tomé remembers The book he
read and the horrific cosmic
knowledge of a book he read
and returned to The group.

I remember a green house
The lack of enough light
and Hunger for sustenance
The was placed and placed
in a weird container.

a container of a chest
cavity of a strange skeleton.

There's a Perfect geometric
Building in front of us

we head towards it.

we enter see infinite Hallways
of Books and Height

Ozira Thinks of salt, sets
wild info. a Red Haired
Person at a work bench
with weapons, armor, and things
Being at part curiosity and
invention.

Bird like
Viridous sees a creature That
opens a book. 6 floors up.

Lorath remembers a trial of
someone going to jail for
a crime he committed.

we use The book to guide

The Bird creature is like 4ft
Tall with some Gold
Plumage and looks at us
with a human face.

The Bird looks me up and
Reads surface level thoughts

Says one of us is tainted
and The Hag smell, death
from Lorath.

Truth Seeker - Arch Seraph
Emmir Truthseeker rebornite

Emmir Zabrialite, Truthseeker

Emmir failed cause not allowed
to do this.

we follow emmir after
he asks for help.

wants help to find a flaw
in the thing

Lorath asks about The light
and emmir attempts a Brain
Scan.

emmir follows Zabrialite The
arch Seraph of knowledge.

find any dangers to The
arch Seraph is The Paragonite
of emmir

emmir asks us to open a door

Ozira sees an old man eating
a stew and an old woman
with trees, forest, and
theres quail work outside.

There's a Seraph over The
door watching over us
a Pact Breaker Seraph
watches over us. it Punishes
those in dangerous Pacts

Viridous tries to chase
The story. can see
Three options. selects
a story with some injury
but nothing. The story
without the child suffering
opens The door

There is a Half circle of
Pact Breaking in The
room. Emmir does not like
it being open. directs
us to myrtle.

The door is made of oranium
and pristine dreamer door.

a dreamer mark shape is buried
in it.

There's a mirror on The west
wall and The doors shut
behind Ozira. The Tools look
like what Ozira needs.

Lorath sees his home village
on fire, being torn apart
By ghosts and nightmares

Lorath attempts to hit The
mirror and There's a sound

Ozira sees a mid 20s Person
working in a forge. similar
to the old man forge.

Viridous muzzles objects and
sound. happens that is closer.

Lorath sees The Prison cell man
and is writing a message
That names Lorath.

Tomé sees Haurags beyond
comprehension and a monster.
Tomé sees a vision of a
man in all Black removing
seraph wings. Tasting Blood.

Viridous uses a flux Channel
to peer into The History
of The room. and sees
a city of dreamers through
The window That is The
mirror. They're working.
