Recap:

Null Separated The Party

We continue and watch
Resurrection Ianeshi
Try on The angel.

Wall is apart of The
Thaumaturge. We have
used to work under
null, Thaumaturge killed
old emperor and caused
sad fall.

Rupac is attaching angel
parts to a body, Bit
mismatchy

Ianeshi use undead for labor
not war.

Myrtle and Azira taking
detailed notes.

We're Hated in The Pools
Lorath gave a thing
and mean Sick it for
it.

Azira copies specs,

Each group Has a Sending
Stone.

As we Rest The next Resonator
focuses on it (Not 20)

Brings memories of my
creation and how things
in uakets look kind of
like me, it connects to
a past self maybe,

Sitting mirrored from is
a dreamer automation
with the mali' missing
lots of itself.

Seems to be The construct
Base inside me.

it mirrors the movements

I ask what it needs
and it stops mirroring

Must Build myself.

"we are empty" we must
fill The Hollow.

It convey's That The
Build does not come
from that side materials

need to Build war war's
under standing

long Rest

we Head Back To Rupac
To Watch Ritual.

The Ritual Happens
it smooths out and
fills out to her vision
Has some more intelligence

Lorath sees Ghoul Son That's
following Azira That he
was tapping a thing.

Rupac Begins Testing it's
Responses

Azira Thanks Rupac

we Head To find Simon

He's Been Busy and
There's many Ianeshi
soldiers Testing things
and Suits,

There's traditional weapons too.

Seems Simon is Arming them.

Simon wants to head to
The quartz palace

in the Rock teeth mountains
By Star world.

Simon says we may find
him in Star world.

Says limited air capacity

gives extra Battery
each 16 Hour Rest need
to Recharge.

customize the fuck out of
the vehicle.

Azira identifies Ghoul Son
finds out it's a very
ancient curse that rotted
and is unstable and worse
and changing

long Rest

Simon shows His Ianeshi
weapon

there's Refined and unrefined
